The popular Flash Kids Workbooks now features STEM enrichment sections and easy-to-tackle projects for wherever learning takes place! This comprehensive line of workbooks was developed through a partnership with Harcourt Family Learning, a leading educational publisher. Based on national teaching standards for Grade 4, this workbook provides complete practice in math, reading, and other key subject areas. New content includes an introduction to STEM concepts and terms, how STEM impacts everyday life, concept review quiz, and fun, engaging projects that reinforce the subjects. Flash Kids Complete Curriculum Grade 4 also includes a new introduction providing recommendations for educators on how to use this volume to differentiate lessons in the classroom and instructions to integrate the content into hybrid and remote learning.

Health, Wellness, and Physical Fitness is designed to teach students everything they need to know to make informed decisions for a lifetime of wellness. Aligned to Common Core State Standards, the activities in this workbook teach students about heredity, exercise, and nutrition, as well as tobacco, illegal drugs, mental health, and becoming a wise consumer. Self-assessments, real-world situations, games, puzzles, and quizzes reinforce these important lessons while also building strong, independent learners.

Learn at home with help from the education experts at The Princeton Review! 4TH GRADE AT HOME provides simple, guided lessons and activities that parents can use to help keep 4th graders on track this year. Anxious about remote learning and hybrid schooling? Worried that the unique circumstances around coronavirus and education might keep your child from getting the help they need in class this year? Want to help support your child's schooling, but not sure where to start? You're not alone! 4TH GRADE AT HOME is a parent guide to supporting your child's learning, with help you can undertake from home. It provides:

- Guided help for key 4th grade reading and math topics
- Skills broken into short, easy-to-accomplish lessons
- Explanations for parents, plus independent question sets for kids
- Fun at-home learning activities for each skill that use common household items
- Parent tips, review sections, and challenge activities seeded throughout the book

The perfect mix of parent guidance, practical lessons, and hands-on activities to keep kids engaged and up-to-date, 4TH GRADE AT HOME covers key grade-appropriate topics including:

- reading comprehension
- context, main ideas, and details
- plot and setting
- cause and effect
- addition and subtraction
- multiplication and division
- fractions and decimals
- shapes, symmetry, and patterns
- probability
