Algebra Sabis - blazingheartfoundation.org

SABIS® values English, math and world language more heavily than science or history and therefore they are given more credit (1.3 credits) than a science, history or other full-year elective (1.0 credits) on the transcript. Other elective course may receive from 0.2 credits to a full credit based upon number of meetings, length of course and work requirements.

High School Profile - SABIS® International Charter School ...

The SABIS Learning model was definitely a challenge for me to adapt to since it barely gives any room for creativity as an educator. Also, at the time I worked there the school building was fairly new so there was continuous change and disruptions. Definitely difficult for special ed students to learn in that environment.

Sabis Reviews | Glassdoor

SABIS schools focus on the mastery of the basics in English, mathematics, and a second world language. Teaching techniques include memorization and phonics in reading and drilling in basic mathematics, among others.
