I'm a radiologist in Alabama who just received the Pfizer vaccine. I've seen firsthand the serious effects of COVID-19 on people's lungs, so I had zero reservations about getting the shot.

I'm a radiologist in Alabama who just received the Pfizer ...

We're in the middle of winter, with surge upon surge in COVID-19 cases, and the pandemic is far from over.And yet I'm euphoric - a novel feeling in this year dominated by a novel virus - because news of a safe and robust vaccine, while far from being a magic bullet, gives me great hope that the beginning of the end of the pandemic is here.

This distinctive, class-tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it. "Points of View" sections provide varied vantage points on important topics, and select images draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources.

Now featuring the contributions of new co-author John M. Giggie, an award-winning teacher and scholar from the University of Alabama, America Firsthand offers a remarkable range of first-person perspectives that bring the past vividly to life — from an African American minister's message of racial liberation, to the prison notes of suffragists, to a writer's recollections of Sputnik. "Points of View" sections provide varied vantage points on important topics, and "Visual Portfolios" draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources.

With its distinctive focus on ordinary people, this primary documents reader offers a remarkable range of perspectives on America's history from those who lived it — from Jews in the Early Republic to strikers at an auto plant in 1940s Detroit, and from a Civil War battlefield nurse to a 1990s dot.com entrepreneur.

One of the most widely adopted primary source U.S. history readers, America Firsthand presents history in the words of the people who made it, inviting and provoking students to think critically about the past. The seventh edition continues to bring the past to life with more visual and textual sources that increase diversity, represent current scholarship, and engage students.

Like its highly acclaimed predecessors, the fourth edition of "America Firsthand" gives voice to ordinary Americans speaking directly of their own lives a nd times and allows students to identify with a broad range of human experience. Popular elements of previous editions have been thoroughly revised and strengthened, and new features have been added, to make this new edition more engaging and accessible to students.
