Breathe (*Breathe*, #1) by Sarah Crossan. I didn't like it. It was fast paced, but I honestly wanted to punch someone. I must admit another thing I liked was the ending and how it really sets up an exciting beginning for the next book. If you crsosan to live, you pay to breathe. Breathe, by Sarah Crossan, takes place in a world that is on the brink of death. People who don't obey the laws are sent outside the glass dome to suffocate without air and die. Others wear oxygen tanks outside to remind themselves why they live the way they do and to remember what happened during the Switch when humanity nearly went extinct.
