Encroachment Permits Manual | Caltrans

Encroachments arise under property law. An encroachment occurs when some structure either partially or entirely is placed upon a neighbor ' s property. There are several ways an encroachment can be created, ranging from intentional acts to honest mistakes. Remedying an encroachment may require legal action, such as paying the property owner for use of the property or a court-ordered removal of the encroachment structure.

Performing a Floodplain Encroachment Analysis

Put simply, an encroachment is when another person puts up a structure that intrudes on (or over) your land. This issue might come up if, for example, one of your neighbors were to build a shed that is partially on your property, or expands his house so that a porch ends up on your property.

What Can You Do About an Encroachment? - FindLaw

If a land survey has determined that there really is encroachment, or if the neighbors agree that encroachment is an issue, then it is time to look for a solution. Offering a concession, such as moving a fence line or repositioning another structure, is generally the right thing to do. In some cases, though, that can be very difficult.

Common Ways to Deal With Encroachments - Godfrey Hoffman Hodge

A Encroachment Agreement will be required and that the fee for use of City right-of-ways will be calculated on the following formula; Annual Encroachment Fee = Area of Encroachment x Land Value x Encroachment Factor (1.25) 12.6.1 The encroachment agreement shall contain

To make encroachment legal does the offender have to ...

Encroachments and easements are two common real estate issues that can affect commercial and residential property owners. If you own property, such as land and/or any buildings permanently attached to land, you have certain rights to use your land and those buildings how you please. If a person or company tries to build a building on land that you own without your explicit permission, the person or company in question may be creating an encroachment, which is an intrusion of land or property ...

How to Address Real Estate Easements and Encroachments

Defense (DOD) (10) uses the term "encroachment" to describe "the cumulative result of any and all outside influences that inhibit normal military training and testing." (11) According to the DOD, the eight encroachment issues of concern are "urban growth around military installations" and training ranges, radio frequency
