Online of this book is to provide readers with reading materials to practice their reading skills as well as an introduction to more extended sentence structure and longer articles. This book has all the vocabularies in HSK 1. If you finish the book, you would have practiced your reading skill on all the vocabularies in HSK 1. I have tried to restrict the vocabularies used in this book to HSK 1 as far as possible. Where it is not possible, I have introduced limited new words in the story. If you have learned all the HSK 1 Vocabulary and completed the Standard Course Book for HSK 1 by Jiang Liping, you would be able to read about 90% of this book without learning new words.
