What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don ' t behave like you, don ' t believe like you, and if you are honest...make you uncomfortable? Loving them? Like this? That ' s hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry

If every Christian knew who they were as a child of God, if they knew their identity in Christ and how valuable they are just because they are His, and if all this went beyond head knowledge and into heart knowledge, just imagine the power in that understanding. Broken relationships could be mended, and families could work out their differences. Individuals held captive by their insecurities would experience freedom in their lives. I ' ll Love You Anyway, by author Lori Davis, seeks to help Christians experience the freedom of forgiving and letting go of the past. You can break down the walls of protection and be free to give and receive love the way God intended. You can learn to extend unconditional grace and love to others. Davis explains how to

If we can integrate the truth of who God says we are within our daily lives, we can come to experience a deeper relationship with the Lord. “ Lori writes this book from the inside looking out.
