The prescriptive follow-up to the New York Times bestseller The Dream Manager. One of the major issues in our lives today is work-life balance. Everyone wants it; no one has it. But Matthew Kelly believes that work- life balance was a mistake from the start. Because we don't really want balance. We want satisfaction. Kelly lays out the system he uses with his clients, his team, and himself to find deep, long-term satisfaction both personally and professionally. He introduces us to the three philosophies of our age that are dragging us down. He shows us how to cultivate the energy that will give us enough battery power for everything we need and want to do. And finally, in five clear steps, he shows us how to use his Personal & Professional Satisfaction System to establish and honor our biggest priorities, even if we spend a lot more time on some of the lesser ones.

Adrianna Rossi is no stranger to the rigorous demands required of her body. Years of pain and determination make her one of the best. Olympic glory is the ultimate goal, and she ' ll do anything to achieve it. Even if that means leaving home to attend World Cup Academy of Gymnastics, a training center that serves one purpose—producing champions. Perfection, precision, and dedication are required of his athletes. When two time Olympian Konstantin Kournakova is persuaded into training the young hopeful, he immediately regrets it. She doesn ' t come close to his high standards. As the relentless pursuit of her dream keeps her striving, a passion is ignited within him. Kova ' s power and domination, coupled with Adrianna ' s fierce tenacity, reveal there is more for her body to learn. Every interaction can be misconstrued, but there ' s no mistaking the darkening of his gaze, the lingering of his touch, or the illicit image of his bare skin pressed against hers. Integrity is on the line. One toe off the beam and their forbidden desires could ruin everything they ' ve worked for, throwing it all off balance.

Adrianna and Kova let caution fly for love despite the odds. Each lesson learned formed a new scar for them to bear. And now that her father knows their secret, the damage left behind is irreparable. They both must pay for their actions. Torn apart, Adrianna is forced to face the last challenge of her gymnastics career alone. While Kova, the beautifully anguished man who has been at Adrianna's mercy giving her everything she ' s demanded, has no choice but to walk away. Adrianna and Kova survived deception and betrayal. Now they face their greatest enemy, Time. With just one hurdle left, the clock is winding down to the final moment. Adrianna must soon realize life is more than an Olympic dream. But in order to live and salvage them both, she will first have to save herself.

In this searing and riveting New York Times bestseller, Olympic gold medalist Dominique Moceanu reveals the dark underbelly of Olympic gymnastics, the true price of success...and the shocking secret about her past and her family that she only learned years later. At fourteen years old, Dominique Moceanu was the youngest member of the 1996 US Women ' s Olympic Gymnastics team, the first and only American woman ' s team to take gold at the Olympics. Her pixyish appearance and ferocious competitive drive quickly earned her the status of media darling. But behind the fame, the flawless floor routines, and the million-dollar smile, her life was a series of challenges and hardships. Off Balance vividly delineates each of the dominating characters who contributed to Moceanu ' s rise to the top, from her stubborn father and long-suffering mother to her mercurial coach, Bela Karolyi. Here, Moceanu finally shares the haunting stories of competition, her years of hiding injuries and pain out of fear of retribution from her coaches, and how she hit rock bottom after a public battle with her parents. But medals, murder plots, drugs, and daring escapes aside (all of which figure into Moceanu ' s incredible journey), the most unique aspect of her life is the family secret that Moceanu discovers, opening a new and unexpected chapter in her adult life. A mysterious letter from a stranger reveals that she has a second sister—born with a physical disability and given away at birth—who has nonetheless followed in Moceanu ' s footsteps in an astonishing way. A multilayered memoir that transcends the world of sports, Off Balance will touch anyone who has ever dared to dream of a better life.

After Kova ' s devastating betrayal, Adrianna must become her own champion and place her Olympic dream ahead of all else. In doing so, she ignores the warning signs as both the extreme training and unending heartbreak begin to take their toll. There is no atoning for what Kova did. The vow he made cannot be undone. With boundaries set and lines clearly defined, Kova will now have to be the one to relinquish control in order to regain Adrianna ' s trust. Though the dynamics shift between coach and gymnast, nothing can prepare them for the agonizing truth that is to come. Fighting for a dream becomes only half the battle when Adrianna ' s fate is sealed, leaving them both with their biggest challenge yet.

The move to World Cup Academy of Gymnastics is the greatest challenge Adrianna has encountered. Punished for Coach Kova ' s overwhelming desires, she ' s reeling with resentment while she sits out the first meet of the season. As Adrianna fights to regain her focus, he pushes her body to the extreme, leaving her mentally and physically exhausted. Kova underestimates Adrianna ' s endurance, and gravitates more toward her, despite his internal battle raging within to stay away. They try to disentangle themselves, but the tension between coach and gymnast mounts, engulfing them both in a forbidden world of deception and passion. The one place where they should never feel alive, is where they find complete absolute. But one slip, one wrong landing, a missed grip, and everything they built can come tumbling down, damaging both their professional and personal lives.

An array of life challenges towards the human experience, yet with a sound wisdom and compassion towards an effective resolve

A business parable about how companies can achieve remarkable results by helping their employees fulfill their dreams Managing people is difficult. With disengagement and turnover on the rise, many managers are scratching their heads wondering what to do. It's not that we dont dream of being great managers, it's just that we havent found a practical and efficient way to do it. Until now. ... The fictional company in this remarkable book is grappling with real problems of high turnover and low morale -- so the managers begin to investigate what really drives the employees. What they discover is that the key to motivation isnt necessarily the promise of a bigger paycheck or title, but rather the fulfillment of crucial personal dreams. They also learned that people at every level need to be offered specific kinds of help and encouragement -- or our dreams will forever remain just dreams as we grow dissatisfied with our lives and jobs. Beginning with his important thought that a company can only become the-best-version-of-itself to the extent that its employees are becoming better-versions-of-themselves, Matthew Kelly explores the connection between the dreams we are chasing personally and the way we all engage at work. Tackling head-on the growing problem of employee disengagement, Kelly explores the dynamic collaboration that is unleshed when people work together to achieve company objectives and personal dreams. The power of The Dream Manager is that simply becoming aware of the concept will change the way you manage and relate to people instantly and forever. What's your dream?

"Off Balance is a rollercoaster ride with love, lots of emotion, character development and daring action.... Anyone who enjoys a book written by Maria V. Snyder or Kristin Cashore will devour her books. I don't read sci-fi often...but Off Balance took my breath away." - Book Dragon "In this bleak world, one spark of hope soon turns into an inferno. And just like a fireball, once this story is ignited, it just doesn ' t stop. " --- Maria V. Snyder, New York Times bestselling author of Navigating the Stars. From USA Today Bestselling Author Aileen Erin comes the second book in the Aunare Chronicles Broken, beaten-down, and plagued by nightmares, Amihanna di Aetes is surrounded by the Aunare race that makes up the other half of her heritage, but she feels alien amongst them. She ' s not sure which is worse: SpaceTech ' s overt hatred of Aunare or the Aunare ' s covert hatred of halfers. She hears their whispers and sees her death reflected in their eyes. Amihanna doesn ' t know who to trust anymore, but she hasn ' t survived this long by ignoring the warning signs all around her, especially when her instincts are screaming to either flee or fight. With Amihanna ' s sudden return, questions arise among the Aunare: who should be blamed for a full-scale war with SpaceTech, how much danger will the war bring, and is Amihanna truly fit to be the next high queen? Honestly, Amihanna wants to forget the politics, her betrothal to Lorne, and the possibility of being queen. Her needs are much more basic. All she wants is a solid night ' s sleep where she doesn ' t wake up screaming with the phantom pain of her skin burning. All she needs is to live without fear of being torn away from her family. All she dreams is a chance at a future instead of constantly fighting for her right to live. And somehow everything leads her back to Lorne. He always seems to know when she ' s about to break under the pressure. His quiet patience is wearing Amihanna ' s walls down, and she ' s terrified of what will happen if they fall. hr "She always catches me off guard with how powerful her books end!...If you ' re looking for romance, action, and sci-fi, check out this series!" - Reviews by Lenniland "I'm dying for the next one." - Amy, FWISD

The Off Balance series chronicles the life of an elite gymnast, her journey to the Olympics, and the illicit affair she has with her coach. Adrianna Rossi is no stranger to the rigorous demands required of her body. Years of pain and determination make her one of the best. Olympic glory is the ultimate goal, and she'll do anything to achieve it. Even if that means leaving home to attend World Cup Academy of Gymnastics, a training center that serves one purpose-producing champions. Perfection, precision, and dedication are required of his athletes. When two time Olympian Konstantin Kournakova is persuaded into training the young hopeful, he immediately regrets it. She doesn't come close to his high standards. As the relentless pursuit of her dream keeps her striving, a passion is ignited within him. Every interaction can be misconstrued, but there's no mistaking the darkening of his gaze, the lingering of his touch, or the illicit image of his bare skin pressed against hers. Integrity is on the line. They try to disentangle themselves, but the tension between coach and gymnast mounts, engulfing them both in a forbidden world of deception and passion.
