After the publication of
The Origins of
Totalitarianism in 1951,
Hannah Arendt
undertook an
investigation of
Marxism, a subject that
she had deliberately left
out of her earlier work.

Her inquiry into Marx's philosophy led her to a critical examination of the entire tradition of Western political thought, from its origins in Plato and Aristotle to its culmination and conclusion in Marx. The Promise of Politics tells how Arendt came to understand the failure of that tradition to account for human action. From

Perch Le Oni

Although written in the latter half of the 1950s, what Arendt says about the relation of politics to human freedom could hardly have greater relevance for our own time. When politics is considered as a means to an end that lies outside of itself, when force is used to “create” freedom, political principles vanish from
