In a time when there is so much information out there, why should a student use Rang & Dales Pharmacology?  
Jim Ritter: It offers a unique approach to the mass of detailed information, emphasising mechanisms of drug action at physiological, cellular and molecular levels, the experimental nature of the subject and how much fun it is. The fun is both intellectual and in the potential of therapies that can transform individual lives and society as a whole, mainly for the better but with the ...
