Solution Matrix Business Case - reliefwatch.com

The business case is reviewed and revised at decision gates as more mature estimates and information become available. The approved business case provides a record of the decisions made by governance about how to achieve the required return on investment from the work. It documents the options considered and it is normal practice to include the 'do-nothing' option as a reference.

What is business case? | APM

The Solution Matrix 6D Framework™ draws on 20+ years of experience with a wide range of industries and business issues. [Book] Solution Matrix Business Case

A business case analysis is made to present ways on how the requirements of a program or a project can be provided in a timely manner to ensure the smooth flow and effectiveness of the entire program life cycle. Usually, a business case analysis is developed by the stakeholders of the business or a project.
