Anyone who owns a Suzuki 4x4, and wonders what it is REALLY
capable of, needs this book. It illustrates in intimate detail, with the
aid of 175 colour photographs and diagrams, what each model can
do and how to modify it in stages to maximise its off-road potential.
The book also covers practical factors, such as choice of tyres,
gearing selection and modification for various purposes. In addition,
it explores the history and evolution of the marque and sets out the
skills required to carry out the various procedures. As ever, this is
presented in the well illustrated, easy to follow SpeedPro style. Get
the most out of your Suzuki 4x4.

This book chronicles the divergent growth trends in car production
in Belgium and Spain. It delves into how European integration,
high wages, and the demise of GM and Ford led to plant closings in

Belgium. Next, it investigates how lower wages and the expansion strategies of Western European automakers stimulated expansion in the Spanish auto industry. Finally, it offers three alternate scenarios regarding how further EU expansion and Brexit may potentially reshape the geographic footprint of European car production over the next ten years. In sum, this book utilizes history to help expand the knowledge of scholars and policymakers regarding how European integration and Brexit may impact future auto industry investment for all EU nations.

Offers a window into the vanity and silliness of almost every decade as expressed by the ultimate status symbol of the car, showcasing the cheapest, tackiest, and most mechanically inept vehicles built from the 1960s to the 1990s.

Racial Stigma on the Hollywood Screen from WWII to the Present charts how the dominant white and black binary of American racial discourse influences Hollywood's representation of the Asian. The Orientalist buddy film draws a scenario in which two buddies, one white and one black, transcend an initial hatred for one another by joining forces against a foreign Asian menace. Alongside an analysis of multiple genres of film, Brian Locke argues that this triangulated rendering of race ameliorates the longstanding historical

contradiction between U.S. democratic ideals and white America's
persistent domination over blacks.
