Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider... A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. One night, and two lost souls with tainted lives, find a love strong enough to reveal a secret that just might kill them all ... Kaden Cross had it all: money, fame, and women ... Forced from obscurity and

into the limelight as the lead singer of the band Mouth2Mouth, the last thing he wanted was to find a sexy drugged out redhead waiting for him in his bed. Finding out that she's the victim of a sex slave ring puts the band in peril, because the only way to save the woman he's started to love means denying her the one thing she wants the most ... Sawyer has had one dream her whole life, to escape the smothering love of her mother and a life of poverty. Now, kidnapped and drugged, she is given to a man she knows nothing about except that he holds her life in his hands.

When King visits Kentucky for a few weeks to get to know his daughter, Lily, he learns that she is married to a killer and lives in a sex club. He is determined to destroy those responsible and see that Lily gets the future he thinks she deserves.

If it's not broke don't fix it. That was Cash's motto and his life was perfect. He was a lieutenant of The Last Riders, a motorcycle gang, and had women at his beck and call. The only thing he could see himself settling down with was a twelve pack - certainly not Rachel Porter who was on his short list of women to avoid.

Vida will do anything to save her friend's life, even if it includes stripping on stage and doing lap dances in the VIP room under her stage name Trouble.

Those who have read *Time and Again* and *Unclaimed Legacy* know that Abby Thomas is a college student on a summer service project with 11-year-old Merri. And they know that the summer is not going the way Abby had expected--but in a good way. For one thing, she meets a very nice guy named

John Roberts. And for another, she discovers a strange computer program called Beautiful House that lets her fast-forward and rewind life. Not her own, of course, but those of the people who lived in Merri's old house. And the Old Dears' old house, and...well, any old house.

Stud has to prove himself as the new President of the Destroyers, and Sex Piston and her crew's attitude isn't helping. If he has to sacrifice his body to tame the bitch then that's exactly what he's going to do even if it means losing his heart in the battle.

She needed a hero; instead, she got Cade. Cade was no hero. He was a nomad, a wanderer with no ties and he liked it that way. Hired out to save Fat Louise and her spoiled sister from a cartel run Mexican city was a risk he was willing to take, for the right price. With a certain gray eyed woman on his mind, he set's out to find her, fuck her and forget her. No harm, no foul. But it's all easier said than done when it comes to this plain Jane. He expected a biker bitch who knew the rules; instead, he got Fat Louise. Fat Louise wasn't about to put her crew in danger. She had to learn to handle problems on her own, even if they included a six-foot biker she was forced to rely on, if she was going to rescue her sister. She never expected to see Cade again after she'd left Mexico, but all it takes is one night with him to prove that even a bitch's heart can be broken.

The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And

File Type PDF Tainted The Vip Room 2 Jamie Begley

distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

Knox, a former Navy Seal, has been in several dangerous situations, but nothing compares to dealing with Diamond Richards. Framed for murder, he needs the passionless lawyer to prove his innocence. But when he no longer needs her help, he's going to show her the passion she's capable of and walk away a free man. Diamond plans on earning her huge fee to prove Knox is innocent, but she had no idea the muscled biker could bring out the passion she kept hidden behind her designer clothes. Trying to find a murderer is easier than dealing with The Last Riders and Knox's sexcapades. He's going to find out there is one woman worth standing and fighting for, despite his desire for freedom. This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, multiple partners, moderate violence and explicit language offends you.
