Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi. In these astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings Freedom from Fear.

Welcome to Hereville, home of the first-ever wisecracking, adventure-loving, sword-wielding Orthodox Jewish heroine. A delightful mix of fantasy, adventure, cultural traditions, and preteen commotion, this fun, quirky graphic novel series will captivate middle-school readers with its exciting visuals and entertaining new heroine. Mirka is back, and she's still the only sword-brandishing, monster-fighting Orthodox Jewish girl in town. Or so she thinks. When a misguided troll aims a meteor at the witch's house, the witch grabs hold of the closest thing possible to transform the flying, flaming rock--and that would be Mirka's hair. The meteor is changed, all right! it's now Mirka's identical twin. Doppelganger Mirka, vowing to be a better version of the real girl, sets out to charm all of Hereville, including Mirka's own family. Our heroine challenges the meteor girl to a three-part contest . . . and the loser will be banished from Hereville forever! Praise for Hereville: How Mirka Met a Meteorite: STARRED REVIEWS "Deutsch has created a wonderful world in Mirka's insulated Orthodox village and continues to capture it adroitly. . . Mirka is unflinchingly likable because she is so tempestuous and inexact, and really, who can't relate to that? This truly clever series is lots of fun." --Kirkus Reviews, starred review "The color illustrations are as crisp and clear as they come. The endlessly creative panel and perspective work adds visual interest and gives experienced graphic-novel readers plenty to savor. A well-crafted addition to a truly distinctive series." --School Library Journal, starred review "She's both a fish out of water (she dreams of a sword-wielding dragon slayer) and committed to her Orthodox Jewish faith, family, and community. All of this makes her one of the most original and comically endearing heroines to come down the pike in a long time." --Publishers Weekly, starred review "The graphic novel format serves the quirky story well, with strong inks and a subdued palette that emphasize characters' personalities and facial expressions as well as the tale's action. As with Mirka's first adventure, this volume brings diversity and wit to comics for young teens and tweens..." --The Horn Book Magazine "Deutsch is a masterful storyteller with both realistic kid patter and expressive cartoons--not only of Orthodox life but also of assorted trolls and other mostly benign fantasy creatures. A spunky adventure in kid-accessible truths revealed through the employment of fantasy." --Booklist Award 2013 Sydney Taylor Award - Notable Book, Older Readers Texas Library Association Maverick Graphic Novel 2014 list
